

# Dental, Vision & Hearing with CSO

## A DVH plan designed for the Medicare market

Hello (Agent Name), this is (Marketer Name) from Integrity and I wanted to make sure you'd heard about the new DVH offering from CSO. CSO is now offering a Dental, Hearing & Vision policy designed for Medicare Supplement users.

- ✓ Traditional Medicare and Medicare Supplements do not typically cover Dental, Vision or Hearing benefits. CSO's DVH provides clients with the coverage they need and the plan customization that agents want.
- ✓ This new DVH policy compliments any Medicare Supplement plan to make sure your clients get the full coverage they need.
- ✓ A CSO DVH policy adds preventative, diagnostic, restorative and prosthodontic coverage. Whether it's an annual checkup or a full set of dentures, this policy adds that and is worth smiling about.
- ✓ Increase vision coverage with eye exams, lenses, frames and contact lens coverage – none of which are typically covered by Medicare Supplements.
- ✓ And with hearing aid coverage, clients will have increased freedom to do the things they want to do.
- ✓ 3 benefit levels. 3 mass benefits. 1 easy-to-use policy!
- ✓ And with CSO, you're getting the convenience of 100% e-Apps, easy onboarding and easy enrollments.
- ✓ Your CSO contract already covers this new product automatically.
- ✓ This new plan is coming soon, so keep an eye out for additional updates and get ready to sell this amazing enhancement to MedSupp coverage from CSO.
